Pearl Class Newsletter

Climate Change and Energy– The children have been enjoying the learning on Climate Change and have made a page on Greta Thunberg this week.

Science- Continuing the Forces theme – Investigations have included reducing water resistance and investigating friction on different surfaces. Using the Newton Meters created great excitement!

Maths – We have finished our Place Value unit with lessons on rounding this week. The children have had the opportunity to challenge themselves with some problem solving too.

English – We are continuing to focus on transcription skills – spelling, handwriting and punctuation. Reading texts have been : Greta and the Giants and Hidden Figures.

Coming up next week Learning focused	Way to support at home (home learning)
Geography – Climate change Maths- addition and subtraction English – writing transcription. Science – Forces Music-Harvest Festival P.E – Football and dance Art – Shading and tone	**<u>All</u> children should do TTRS every week, practise their spellings and get their reading records signed by an adult to show they have read to or chatted to someone at home about their reading**. Home learning for the Autumn Term: Space Research: Due date: Tuesday 1st December 2026

Key dates coming up:
