

Pearl Class Newsletter

26.04.19

We have had a fun start to the term, becoming 'Romans', building our own Roman towns before we were invaded by the 'Vikings'!

Although as part of our project WOW we experienced life in Roman Britain, we will be learning about life in Rome, particularly about the Colosseum and the events that took place there.

In Maths next week we will be learning Roman numerals up to 1000 and working out how to write dates (years). We will then be focusing on area and perimeter, building on previous learning and learning new skills involving composite shapes.

Reminders:

- Continue to use TT Rockstars to practise times tables – the times are very impressive so far!
- Practise spellings – we have nearly completed the entire list of Y5/6 spellings.
- Athletics homework
- Read at least 5 times a week – try to choose some of the 50 recommended reads for Year 5. How many can you read before the end of the year?
