

Amethyst & Pearl

Class Newsletter

Maths – This week we have been solving problems with ancient measurement systems and revising converting between measures.

English – The children have been enjoying writing Survival Guides using the skills learnt at Bush Craft (Morfa Bay) and ideas from our class book on Survival!

D/T – We have begun our project on making a model with moving cams and began by making prototypes.

Art – Last Friday we were lucky to have a morning with an artist learning some sketching skills.

Pantomime- The parts have been given, the scripts handed out and we have had a first run through of the pantomime!

Coming up next week
Learning focused

Way to support at home (home learning)

Maths- Decimals
English –Report
letter
P.E- athletics and
rounders
Geography –
Earthquakes and
volcanoes.
D/T – Model with
cams.

Mathletics is still being set and the expectation is that the children will do this, TTRS and reading each week.
