Term 4

English: World Book Day 2026. The children had an exciting day exploring the love of reading, including parade, online lessons and of course a cosy story time!

Maths: Multiplying fractions by whole number and simplifying answers.

Music: We had a visitor in this week to deliver a fun musical composition lesson based on Holst the planets. He will be running several creative sessions with the children to build up a final composition piece on their own planet. The children loved the lesson and had the chance to try out the brass instruments again (they had lessons in year 3). If any of them are keen to continue with learning brass instruments, please see the flyer I have emailed to you today.

Coming up next week Learning focused	Way to support at home (home learning)
<p>Maths- Problem solving P.E – Gymnastics English- Genre: Newsreport Book: The Alchemist D/T - Structures Computing-Systems and networks</p>	<p>Home learning –Mayan Headdress project is due March 9th.
