Newsletter

Geography Climate change – The children have made posters to promote the 'One World, One Climate' message.

Science- This week we have been investigating gravity. We carried out an investigation to prove Galileo's theory that all objects of the same shape and size will fall at the same speed regardless of mass.

Maths – We have had our term 1 reasoning and arithmetic tests this week. At the end of the week we started learning about factors.

English – Reading tests and SPAG tests.

Art – We have been looking at the artist Martin Impey and using shading to create an astronaut.

Harvest Festival- The service at the church went well and it was lovely to see a trail of children making their way to the church in the Autumn sunshine!

Coming up next week Learning focused	Way to support at home (home learning)
Geography – Wonderful Earth Maths- Factors, square, multiples and primes English –persuasive writing Science – Levers and pulleys P.E – Football and dance Art – Drawing to create movement.	Home learning Each week the children need to do the following: TTRS Mathletics Reading Go over spelling patterns (in their red home school book)

Key dates coming up:

14th October – KLB activity day 9am – 2:45pm (There are a few outstanding permission slips on Scopay, please complete if you have not yet done so).
