

# Pearl Class Newsletter

09.02.18

Tuesday 6<sup>th</sup> February was 'Safer Internet Day' with a theme of 'Create, Connect and Share Respect'. We have been talking about how we connect with friends and family online and how to ensure respectful communication. As we have been demonstrating our creative skills rewriting songs for our 'Horrible Histories' project, we decided to apply these skills to write raps about keeping safe online.

Safer  
Internet  
Day 2018 | Tuesday  
6 February

In Maths this week we have been learning about how to calculate perimeter of composite shapes (shapes made up of more than one rectangle). We had to use reasoning and logical thinking to identify missing lengths and problem solve to find shapes with the same area that have different perimeters.

In English we have finished our wonderful Roman stories and have spent some time sharing and peer critiquing. After half term we will be looking at biographies and autobiographies.

## Reminders:

- Kilve Court parent meeting – Tuesday 20<sup>th</sup> February at 3.45pm
- Parent/carer viewing of Sex Education videos – Friday 23<sup>rd</sup> February at 9am

Project final outcome: **Wednesday 21<sup>st</sup> March 9.30 – 11am.** We will be sharing our 'Horrible Histories' style films and other learning from our 'Were the Romans Really Rotten?' project.
