## Term 2

**Technique Trip:** The children (and staff!) had a fantastic fun-filled day at Technique and they have written very detailed recounts of the trip. They enjoyed a 45 minute 'space adventure' in the planetarium and lots of time to explore the interactive science exhibits. Many of these had links to our forces learning in Science and our Gears and pulleys learning in D/T.

D/T: The children are busy constructing their moving solar system models and have been painting the gears, wooden structures and making moving parts this week.

English: We have started our narrative extract, taking inspiration from our class book-A story Like the Wind.

Maths: Solving problems and reasoning using our division skills.

Coming up next week Learning focused	Way to support at home (home learning)
<b>Maths</b> <b>P.E – Small Team Games and Gymnastics</b> <b>D/T – Cogs and gears making a moving solar system model.</b> <b>English- Genre: Narrative</b> <b>Book: A story like the wind.</b> <b>Computing- Programming on Scratch</b>	<b>Home learning</b>  Space project is due in 1 <sup>st</sup> December, feel free to send in earlier if they have finished before then.  TTRS- I have asked all the children to make sure they are doing TTRS each week as we are in our multiplication and division unit in Maths, it is very tricky if they don't have a quick recall.  Spelling: i before e except after c rule (continued as INSET)

Key dates coming up:

**5<sup>th</sup> December – School Christmas Fair 4pm-5pm**
