

Pearl Class Newsletter

We have been busy working in groups to begin to plan our Horrible Histories style films; writing scripts and songs and planning a variety of fun ways to teach Roman history. It has been wonderful to see such enthusiasm and creativity.

Developing our persuasive writing and performance skills, we have been writing speeches as Boudicca, rallying the Celtic tribes to join the rebellion against the Romans. There were some fantastic, confident performances.

Kilve Court

With our Kilve Court trip fast approaching, we are all very excited. To ease some anxieties, myself and Mrs Mac decided to share the room allocations with the children this week and we have also talked about any worries around staying away from home. After the challenging year the children have had due to COVID and the many lockdowns, it is understandable that they may be feeling anxious about camp as well as excited. We hope we have managed to reassure them a little. It is going to be a fantastic experience for us all.

On Friday 11th June (the day we set off to Kilve) please arrive at school for 9:30am, saying your goodbyes at the gate. We will spend the morning having fun outside before setting off after lunch. We will be in touch, via text message, once we arrive at Kilve and will send updates during our stay.

Medications – please remember that all medications must be in original packaging with a pharmacy label stating child's name and dosage information. Mrs Gee will be in the playground to take in all medications and will have forms to be signed. If your child has an inhaler, we will be bringing the one from the school medical box but an additional one will also need to be given to Mrs Gee. If you have any questions, please ask.

Have a lovely half term!

Home Learning

- TTRockstars – it is important to keep up quick recall of multiplication and division facts. Try to have several short sessions of TTRockstars a week.
- Reading – remember to read 5 x a week, with at least one session reading aloud.
- Mathletics – weekly activities set to link with the learning in class.
- Spellings – we will be working on spelling in class over the coming term, investigating rules and patterns. Occasionally, spellings will be sent home for consolidation.
