Pearl Class Newsletter

A very exciting week this week in Pearl Class. It has been anti - bullying week, Interfaith Day, our trip to Technquest and Children in Need!

In maths this week, the children have been finishing off addition and subtraction by answering missing number problems and estimation problems. The children had to read questions carefully to make sure they were doing the correct sum - this sometimes meant doing the inverse!

On Monday, the children started creating their gifts for the Christmas Fair. We would like to keep what the gifts are a secret but they use our DT knowledge of gears and Science knowledge of the Earth, sun and moon. The children are very excited to show you their creations!

On Tuesday, we had Interfaith Day. As part of this, we joined an online session with other schools to discuss what different faiths believed about our planet. The children then wrote down what their own beliefs were and played a game in small groups to compare opinions. After that, we wrote down one sentence about the planet on a piece of coloured paper. These will then be added together to create a paper chain display in the classroom.

Pearl Class

PE - will take place on Wednesday mornings and Thursday afternoons. Please ensure your child is wearing a PE kit in school on these days - thank you.

Spellings - this will no longer be set to test. Instead your child will bring home a spelling book, which will show you what words and rules we have been learning each week.

Reading - Children can read independently, however please sign their reading record so we know they have read at home.

Mathletics - Will be set online on Friday for your child to complete the following week.

TTRS - Please support your child with their times tables by logging on and letting the children complete different challenges.
