Festival of Youth Dance

After only six weeks of street dance training with Sarah-Jane from New Generation Dance, we put on a fantastic performance of our two dances at the festival at Abbeywood Community School. It was not only wonderful to see the dances come together and be performed brilliantly, but it was also lovely to see such enthusiasm, enjoyment and fun from everyone! I hope you all enjoyed watching the performances as much as we did performing and thank you all for coming to support us.

Have a lovely half term break.
