

Pearl Class Newsletter

14.12.18

Thank you so much for supporting us at the Christmas Fair on Friday by buying our Solar System cards and cakes. All the money raised will go towards buying books from the Year 5 recommended reading list for us to all enjoy.

This week in English we have finished writing our balanced arguments about whether we should take better care of our planet? In Maths we have been learning about factors, multiples and prime numbers. Next week, alongside our Christmas performances, we will be applying our Maths skills to some Christmas problem solving.

In Science we have been looking at forces, specifically gravity and its impact on Earth and on other planets. Next week we will learn about air resistance by experimenting with parachutes.

Reminders:

- Read at least 5 times a week
- Practise times tables
- Mathematics homework

Dates:

- Christmas Carol Service (Wickwar Church) – Monday 17th December 2pm and Wednesday 19th December 6pm.
