

Pearl Class Newsletter

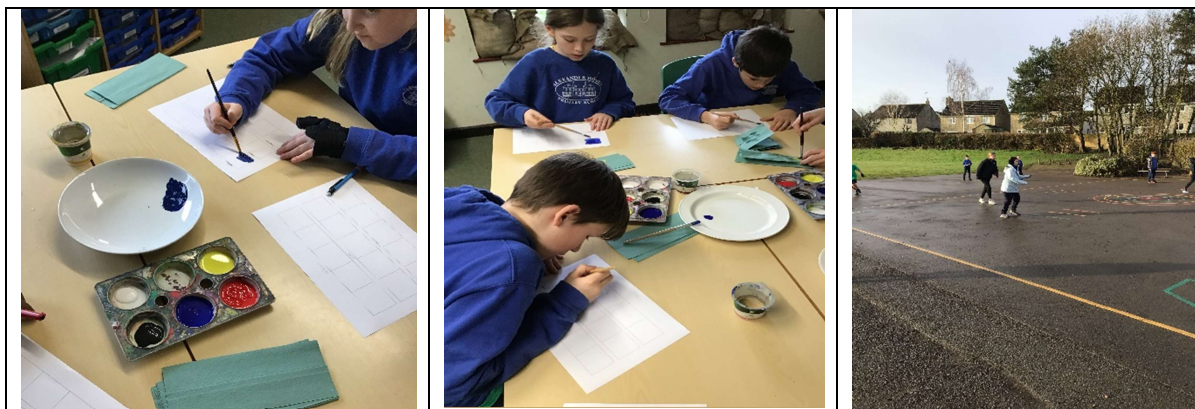

History-This week has been completing their report on the Home Front: The Blitz, Children in the war and Shelters. We were very impressed with the finished results: content and presentation were both fantastic.

Maths- Calculating volume. Constructing cubes from nets and calculating the volumes of the cubes.

English – Started to write their historic narrative- all seem action-packed so far and using ideas from across the curriculum.

P.E – This week we had a cricket lesson with an outside cricket coach- the children really enjoyed this and showed excellent fielding and batting skills.

Art – Continuing with our painting skills and abstract art. We have created mood strips and have started thinking about what our final piece may look like.

Coming up next week
Learning focused

Computing – Online safety workshop.
Science – Rainbows
Art – Abstract Painting
History- WW2 Home learning share
Maths- Measurement
English – Writing a narrative and editing.

Way to support at home (home learning)

TTRS, Reading and Mathletics

Finish Historical research project, ready to share.

SATS 10 minutes buster books, don't forget you can ask us about any questions you are not sure about.

Key Dates:

Online safety workshop (in school) 10th February am.

End of term – 14th February.
