

Pearl Class

Newsletter

Geography Climate change – The children have been looking at the different causes of climate change and the different human activity that has led to increased green house gases.

Science- This week we have been investigating friction. We carried out an investigation using a shoe, some weights and a Newton meter to measure the friction between the shoe and different surfaces.

Maths – We have been learning about negative numbers this week.

English – The children have been writing a story based on our book and have written the sequel.

Art – We are focusing on drawing skills this term and have been looking at tone and shading to create shadows and a 3-D effect.

Coming up next week
Learning focused

Way to support at home (home learning)

Geography – climate change
impact on the world's poorest
countries
Maths- Factors, multiples and
primes
English –story editing
Science – Forces Gravity
Music-Motown
P.E – Football and dance
Art – Drawing to create
movement.

Home learning
