

# PEARL CLASS NEWSLETTER

Friday 28<sup>th</sup> February 2020

We survived Kilve ! Our trip was a huge success and despite the wind and the mud we had a fabulous time .There were many hilarious tales to tell but it was also a privilege to see the children have the opportunity to be independent and take on new challenges . Many children were very brave and pushed themselves to their limits especially on the climbing wall and mountain biking. Cabin life for all the children was an unforgettable experience and they worked well together to prepare for the cabin inspections everyday. Thank you all again for the flowers that you gave us on our return ,Mrs Gee,Mrs Sutherland and myself were really touched -Mr Simmonds loved his prezzie too !

Here are just a few of our pictures and I hope to have more on the website soon :

Mrs Moncrieff
