

29th April 2022

Ruby Class Newsletter

What a great start to the new term! We introduced our new topic on Monday with our WOW day - hopefully the children have come home and told you all about our new topic - The Stone Age! We started the day with creating our own cave drawings, we were then lucky enough to have a live lesson with someone from St Fagans. In the afternoon, the children created a mini settlement, made up of tepees and roundhouses.

In English this Term, we are focusing on a book called Stone Age Boy. The children have already come up with some lovely setting descriptions using the vocabulary from the text. I am excited to see what other wonderful pieces of writing they will create this term!

During PE, I introduced athletics - which the children really enjoyed. First we played some games to warm up and then we ran as fast as we could and tried to beat our time!

In science, the children did an experiment to figure out whose shoe had the most grip! They made a prediction before they carried out their experiment, they all really enjoyed this activity as they were in charge!

During maths, we are recapping our knowledge on shapes and challenging ourselves to draw more complex shapes with rulers and compasses.

In art, we looked at the artist William Morris and created our own printing block design ready to make something exciting ready to show you all at the end of the summer term!
