

# Ruby Class News

This week has been **Anti-bullying week** and we enjoyed a workshop to help us with our understanding of this. Jay, our workshop leader, taught us that bullying is **Several Times On Purpose** which we remember as S.T.O.P. We enjoyed lots of drama games to help us understand what we should do if we feel bullied or if we see bullying happening to others.

In **English** we have written instructions for the animals in our book *Flooded* about how to stay safe in water. We talked about what we remembered from our RNLI visitor John to help us with this. In **Maths** we have started learning about shape. This week we have been focused on counting the sides and noticing whether they are straight or curved and counting the vertices of 2d shapes. In Tuesday **PE** we are learning gymnastic skills this term and this week we enjoyed our first time using the wall apparatus.

PE – wall apparatus; Anti-bullying week – on the train to Kindsville!

## Key dates:

Class trip to Bristol aquarium – Friday 29<sup>th</sup> November

KS1 Christmas performance – Tuesday 10<sup>th</sup> December @ 9.30am; Thursday 12<sup>th</sup> December @ 2.30pm
