

Ruby Class News

What a start to the new year in Ruby class!

We have started our new project '**Are they lost forever?**' which will see us learn about toys. This term the toys are in space and we have shared our key text 'Toys in Space' which we will be learning to retell over the coming weeks.

In Art we started our learning about printing, looking at the space art of Peter Thorpe. We made Space pages in our sketch books and had our first exploration of paint using crumpled up paper.

The children have enjoyed exploring the classroom and today will have their wow day!

Have a lovely weekend,

Mrs Grainger
