

Ruby News

The children started off their week in the woods to search for a dragon. The children described what they spotted on the way using a describing word e.g. long river, exploding volcano. This has helped them to create their own maps and describe the land marks along the way.

Last week the children spent time taking away using stories e.g. Once upon a time there were 4 dragons. One day 1 of them flew away and there were 3 left. As part of their storytelling skills the children created homes for the characters using building blocks and

their own stick puppets.

Of course we had our castle trip this week which the children really enjoyed! It was a fantastic day and the children made you all proud as their behaviour was amazing! I will attach more photos to the next newsletter.

For parents' evening if your children do need to come along then there is a crèche for them to stay in whilst you meet with me.

I hope you have heard about the AHS Friends Reading Challenge that kicked off on world book day to help raise money for new fiction books for our school. Children are invited to read or share as many books as they want between the 7th and 28th March. They can ask for sponsorship for each page or book they read or share. Sponsorship forms have been emailed to everyone. There will be a small gift for every child who takes part! All forms and money need to be returned to school by 3rd April.

Miss Tyler 😊
