

Ruby Class Newsletter

In English, the children have been creating their own jungle adventure story. They have created a storyboard and included the setting, new animal character, problem and resolution. Using their storyboard, they practised their speaking and listening skills by reading their story plot to the class...we have some very interesting story lines!

In maths, we have been practising counting in 2's, 5's, 3's and 10's and using repeated addition. We have tried to find patterns to help us when we are counting.

We have used Daily 10 - Top Marks, to build on our mental maths skills, here is a link if you would like to practise at home: <https://www.topmarks.co.uk/maths-games/daily10>

In music, we created a music score and performed our piece of music. In computing, we have used Word to type up our captions for our comic strip pictures. PE (dance), we have thought about how a balloon moves and practised moving like a balloon. In RE, we have looked at the Islamic story of creation.

In PSHE, we discussed responsibilities and explored how we can be responsible in class and in school.

For your information

Virtual Scooter Training - 14th October

Spellings: Please help your child to practise their spellings ready for their Thursday test.

COVID - should your child be off school whilst awaiting a test for COVID and require home learning, please use Bug Club, Mathletics and Times Tables Rockstars. They can also

2nd October 2020

complete any outstanding home learning; carry out research linked to an area of our project (The Jungle) and practise spelling the Year 1 and 2 spelling words on Google Classroom.

PE will take place on Tuesday mornings and Thursday afternoons. Please ensure your child is wearing a PE kit in school on these days - thank you.

Reading - Please can we encourage you to read with your child (5 times a week) and sign/initial to say you have read with them.
