Ruby Class Newsletter

It's been so lovely to have all the children back in school! We have had lots of smiley faces!

At the beginning of the week we spent some time reminding ourselves of the school routines, as well as talking about how we felt about being back at school.

We have enjoyed doing multiplication in our maths, where we have been looking at groups and arrays.

In English, the children have used a picture of the Clifton Suspension bridge to write a setting description, reminding themselves of adjectives, noun phrases and commas.

The children enjoyed acting out a part of Brunel's life and creating a freeze frame in history. In RE, we explored Muslim celebrations. Our PSHE gave us the opportunity to reflect on our ELLI powers and explore what type of learner we are. In PE, we continued with gymnastics and practised different ways to move including to spin, turn and twist. It was all about biscuits in DT, with the children exploring different types of biscuits.
