

Ruby Class News

A lovely sunny week for Ruby class – don't forget to name sunhats!

In **English** we have been looking at the features of wanted posters and have spotted question and exclamation marks in them. We've been great at spotting these punctuation marks in our guided reading sessions too. In **Maths** we have been measuring length and weight this week, using rulers to measure length and balance scales to find and compare weight with cubes. In **DT** we have been showing the school value; team player by working with a chosen partner to design our chairs for Baby bear. We are really looking forward to building these next week.

Maths – measuring and comparing length

Coming up next week	Way to support at home (home learning)
In English we will be writing setting descriptions of the woods.	Read 5 times a week (Books changed on Fridays)
In Maths we will continue to compare and solving problems with capacity.	Mathletics task – will it happen? and Balancing objects
	Word reading task – QR code stuck in reading record

Key dates:

Card recycling into Ruby class on or before – Tuesday 20th May

Sports morning and picnic – Wednesday 21st May

Have a lovely weekend, Mrs Grainger
