

Ruby Class News

In **Maths** we have begun our learning about multiplication and have been using our knowledge of counting in 2s to make arrays and solve problems. In **English** we have been recapping learning we did earlier in year 1 about adding -ed to word to make simple past tense. We have then used this to write recounting sentences about Bunting when he looked for the lost toys in the museum. In **RE** we have been learning about celebrations and enjoyed Miss Ali coming to teach us about how Muslims celebrate Ramadan and Eid. In **DT** we have chosen and cut our fabric to make our puppets ready for the final step, sewing!

Thank you for all the parents, grandparents and siblings that were able to come along to share our learning this week. The children were so excited for you all to come in.

Maths learning counting in 2s and making arrays; drawing and cutting fabric using templates in DT

Key dates:

Parents evening: Tuesday 26th and Wednesday 27th March

INSET day: Thursday 28th March

Coming up next week	Way to support at home (home learning)
In English we will be learning poems.	Read 5 times a week
In Maths we will be counting in 10s and 5s.	Complete Mathletics Practice words in spelling book linked to phonics

Have a lovely weekend,

Mrs Grainger
