Welcome back! It is wonderful to see everyone back in school.

This week, we have spent a long time getting to know each other and discussing the expectations of Year 2. It has been great to see how the children have settled so quickly with all of the new changes due to the coronavirus. We have been very proud of how the children have managed the new situation.

They have been keen to demonstrate their phonic and mathematical knowledge, and their writing skills throughout the week...with great enthusiasm!

The children have really enjoyed sharing their experiences and activities from the summer holidays and during Lockdown.
