Ruby Class Newsletter

In English, we have started to write a diary entry. We have tried to imagine ourselves as 'Lily' from Lily's Garden of India story. In our diary entry we have tried to remember to write in the first person and the past tense, which we have been practising in our grammar lessons.

In maths, we have continued with addition. We have focused on applying different strategies to answer calculations that add a 2-digit number to a 2-digit number. We have then started to cross over 10 and 100, which we have found a little tricky at times!

In geography, the children have enjoyed recording facts about India in preparation for our PowerPoint. In PE (dance), we worked with a partner to create an opposites dance, where we danced to a beat and moved in time with our partner. In RE, we explored how some plants are used in different religions. In art, we have practised drawing an elephant and have begun to use and manipulate clay in different ways. In science, we looked at what a plant needs to stay healthy and survive.

In PSHE, we have embraced Anti-Bullying week and had many discussions about what bullying is and how we can recognise and deal with it. Thank you to everyone who joined in with 'Dare to be Different', the children looked great!
