

# Ruby Class News

8<sup>st</sup> December 2023

## Things to note:

We have a very busy week next week leading up to the Christmas holidays. On Tuesday, we will have our class dress up day. Children can come dressed as a pirate, anything linked to under the sea or wear blue clothes. The children will be having their Christmas lunch on Wednesday and their party on Thursday afternoon. Children can wear their Christmas jumpers on Friday for the last day of term.

I have set some new Mathletics today and we will be celebrating Mathletics certificates in class this week.

## This week:

We are very proud of Ruby class for their Christmas performances this week. They worked really hard and were fantastic. In Maths, we have been exploring 2D shapes. The children worked on naming shapes and their properties. They enjoyed going on a shape hunt to find 2D shapes around the school. In English, we have continued our new text 'The Snail and the Whale'. The children sequenced key parts of the story and wrote sentences to describe what had happened. In RE, we learnt more about Jesus and described the kind of person he was.

Here are some photos from our week.
