Ruby Class Newsletter

What a wonderful week we have had! The Christmas spirit has certainly begun with Christmas plays, Christmas lunch and our Christmas sale!

I hope you were lucky enough to come to one of the Christmas play performances...the children were fantastic! I was really proud of all the children. I would also like to say a big thank you for your support with our Christmas sale.

In English, the children have been writing their final diary entries.

In maths, we have worked on subtracting two-digits and ones, tens and 2-digits. We have also looked at the different vocabulary associated with subtraction. The children have then applied their skills in addition and subtraction to reason and problem-solve.

We have been designing a vehicle in DT. The children have drawn a design and are now beginning to build the basic chassis. They have used woodwork skills such as, measuring, sawing and constructing.
