Ruby Class Newsletter

The children have had a super week this week and continue to amaze me with their attitude to learning new things.

On Tuesday, the children created dances with their learning buddies. They used three cards (a turning card, a travelling card and a jumping card), then, they all performed and we watched them and tried to guess which three words were on their cards! We only got one pair all correct!

In Art this week, we have created the first part of our mini outcome - the clay eye. The children used different techniques to create their clay eye, as well as use different tools. It was very messy and fun - Here are the creations so far:

In English we have been exploring instruction texts and how we can use adverbs and complex sentences to make our writing more engaging! In DT we have finished evaluating our switches we have made for our circuit and chosen our favourite one to use for our mini outcome. In maths we have been carrying on with fractions and finding out which one is bigger and how we can use our times tables to help us!
