

25th October 2019

Ruby Class Newsletter

In maths this week we have looked at number bonds. We have explored the family of facts linked to each number bond to support our learning next term on addition and subtraction.

We have also continued our cross-curricular maths linked to science, where we have presented our data and answered questions linked to our food survey.

In Art we have used our new skills in pointillism to create a painting of a Bewick Swan. The paintings are amazing.

In English, we have completed our 'Wanted Poster' about Phileas Fogg.

On Friday, we were lucky enough to have Mrs Heffernan come into class to teach the children Spanish. The children loved the opportunity to learn about a different language.

A big WELL DONE goes to our Super Sonic winner for this term...

Have a wonderful half term!

For your information

PE will take place on Wednesday afternoons and Friday mornings. Please can you ensure your child has a PE kit in school on these days - thank you.

Please can we encourage you to read with your child (5 times a week) and sign/initial to say you have read with them.

25th October 2019

Thank you for your prompt return of homework.
