### Interfaith Day

On Tuesday, our Interfaith Day had a focus on our similarities and differences. We shared a book and thought about all of the things that make us similar and different to others.

We answered questions beginning with: What do you think? What do you believe? What do you celebrate? We then compared our answers with the rest of the class to see the similarities and differences in our answers.

In the afternoon, on teams, we met Helen (a Christian) and Abdul (a Muslim) who spoke about what their religions tell them about why it is important to look after the planet. We discovered that although they have different religious beliefs, they share similar beliefs about how and why we should look after our planet.

We then worked together to create a paperchain full of our ideas about the things we can do to help protect the planet.

### Anti-Bullying Week

We have been thinking about what bullying is, what it isn't and what it might feel like to be bullied.

### Clothes for Christmas Performance

Letters will be coming home today about outfits for our Christmas Play. Please make sure clothes are named and in a labelled bag.
