

Ruby Class News

Our first week of term 2 has flown by with lots of super learning for the Rubies.

In **English** we have enjoyed sharing our new book *Flooded* by Mario Illustrajo. The book has inspired our sentence writing as we have been writing about ways the animals could resolve the flood – we all had lots of brilliant, creative ideas for this! In **Maths** we have been learning to count in 10s up to 100 and back again. We have also been using tens and ones to show the place value of the digits in 2digit numbers. We have started **History** this term where we are finding out about Brunel, the children are realising already that he has lots of links to Bristol. We had a go at making some of his designs including mini versions of his famous hat!

Maths – tens of ones of 2digit numbers; History – Brunel

Key dates:

Class trip to Bristol aquarium – Friday 29th November

KS1 Christmas performance – Tuesday 10th December @ 9.30am; Thursday 12th December @ 2.30pm
