

Ruby News

This week the children have been practising their balancing skills in PE. In art we focused on the skill of printing with different objects and used the drizzle with glue and glitter skills to create Christmas trees. The children have gone on to create brilliant toy designs for the elf workshop using these skills.

We have had many discussions about shape this week. The children have been talking about sides, corners and where they can see them in the world.

We have been practising our Christmas performance and we can't wait to show you all on Tuesday!

A letter has gone out about buying extra keyrings the children have made. If we could have the forms and money back by Monday that would be great so we can get them to you in time for Christmas. **Christmas performance Tuesday 18th December @ 9:30. Drinks and treats available to enjoy during and after the performance.** Miss Tyler 😊
