

26<sup>th</sup> March 2021

# Ruby Class Newsletter

We've had a very creative week in Ruby Class this week!

In English, the children have been writing their own poetry. They have written a spring poem using their senses and an acrostic poem all about Brunel.

In our mental maths we have continued with multiplication (2x table). In our main maths we have looked at statistics. The children have used tally charts to collect data about our favourite biscuits. Then they have put the data into a bar diagram and a pictogram.

In RE, we have learnt about the Christian story of Easter. The children enjoyed thinking about new life and created a collage out of natural materials to represent new beginnings. In PSHE, we explored medicines. The children discussed how medicines work and how they must be used safely. In PE, we continued with gymnastics exploring different ways to turn our bodies using apparatus. In science, we investigated how different materials can bend, squash, twist and stretch.

For your information

**Monday 15<sup>th</sup> March - 30<sup>th</sup> March** One Step at a Time - walking challenge.

**Spellings** - Please encourage your child to practise their spellings. They will be tested on a Thursday (**Wednesday** the last week of term).

26<sup>th</sup> March 2021

**PE** - will continue to take place on Tuesday mornings and Thursday afternoons. Please ensure your child is wearing a PE kit in school on these days - thank you.

**Reading** - Please can we encourage you to read with your child (5 times a week) and sign/initial to say you have read with them.

**COVID** - should your child be off school whilst awaiting a test for COVID and require home learning, please use Bug Club, Mathletics and Times Tables Rockstars. They can also complete any outstanding home learning. Further learning will be sent in line with lessons in class after 48hrs.
