

Ruby Class News

In **English** we have written our own versions of the story 'Lost in the Toy Museum' using our learning about toys from the past to help us. In **Maths** we have been learning about the measures of time; seconds, minutes and hours. In teams we enjoyed setting each other 1 minute challenges. We continued our learning about Easter in **RE** and this week focused on the last supper. We had bread and squash to help us act out the events when Jesus shared the bread and wine with his disciples and handed Judas the bread! In **Art** this term we are learning about printing. We have already looked into our artist Peter Thorpe and have explored printing with different materials; cork, plastic and sponge. This week we investigated rubbing using wax crayons to create prints.

Coming up next week	Way to support at home (home learning)
<p>In English we will looking at rules for games and the features of rules/instructions.</p> <p>In Maths we will continue learning half past times and introduce sequencing vocabulary.</p>	<p>Read 5 times a week</p> <p>Go through sounds in blue phonics books</p> <p>Mathletics tasks – hour times and tell the time to half hour</p>

RE – the Last Supper

Key dates:

Monday 31st March @2.45pm – project outcome and journal share

Recently there has been a lot of unnamed jumpers (PE and uniform) in Ruby class. At the end of each day I do try to help the children match up any stray jumpers but any unnamed items are put in lost property at the end of the week. Please ensure your child's jumpers are named as some stickers/pen names are beginning to wear making the task of ensuring the children have their belongings that little bit trickier.

Have a lovely weekend,

Mrs Grainger
