

# Ruby Class Newsletter

This week the children have been working hard in maths developing their skills in place value and number. They have practised ordering and comparing numbers and thought about the value of each digit in a number. We have also practised spelling numbers in words.

In English, the children have used their home learning to produce some super animal fact files! The children have included non-fiction features, such as titles, sub-headings and paragraphs. They have tried to include the correct punctuation of capital letters and full stops and have been encouraged to use noun phrases.

In art, we have learnt about the famous Pop Artist - Andy Warhol. In music, the children have enjoyed making a beat and keeping a tempo. In computing, we have been creating a comic strip. PE (dance) has seen us learning to move our bodies at different speeds and in RE we have been exploring Christianity and why we should care for our world and others.

We have spent time in PSHE discussing what makes us feel safe in school and how to be positive in all we do.

It's been a busy week!

For your information

**Virtual Scooter Training - 14<sup>th</sup> October**, more information to follow.

**COVID** - should your child be off school whilst awaiting a test for COVID and require home learning, please use Bug Club, Mathletics and Times Tables Rockstars. They can also

18<sup>th</sup> September 2020

complete any outstanding home learning, carry out research linked to an area of our project (The Jungle) and practise spelling the Year 1 and 2 spelling words on Google Classroom.

**PE** will take place on Tuesday mornings and Thursday afternoons. Please ensure your child is wearing a PE kit in school on these days - thank you.

**Reading** - Please can we encourage you to read with your child (5 times a week) and sign/initial to say you have read with them.
