

Ruby Class News

Term 4 has got off to a fantastic, although very wet start!

In **Maths** we have been learning about money; recognising coins and finding the value of groups of coins. The children have been exploring different ways to make small amounts using given coins. We are looking forward to practicing these skills in our new role play area toy shop. In **History** we are lucky enough to have the Yate Heritage Centre toy and game box in our class and we have spent time exploring some of the toys people played with in the past. We talked about what past and present means and have sorted toys into these groups. In **English** we read our new text 'Lost in the Museum'. In **Geography** we have finished our learning about the UK this week and have now learnt some interesting facts about all 4 countries.

Here is some of us enjoying playing with the toys and games from the Yate Heritage Centre.

Coming up next week	Way to support at home (home learning)
<p>In English we will be focusing on sentence structure using capital letter, finger spaces and full stops.</p> <p>In Maths we will be recognising notes and choosing the right coins/notes for a given amount.</p>	<p>Read 5 times a week</p> <p>Complete Mathematics</p> <p>Practice words in spelling book linked to phonics</p>

Have a lovely weekend,

Mrs Grainger
