

# Ruby Class News

A short but busy week for us in Ruby Class.

In **Maths** we have been learning about months of the year, learning a song to help us remember them. In **English** we have been using exclamation marks. We've learnt the different reasons we'd use them in our writing, have been spotting them in books, reading with expression and writing our own exclamation sentences for Little Red. In **Science**, the sun was shining so we enjoyed our learning outside looking at wild flowers around the woods and field. The children did some fantastic observational drawings and labelled the different plant names. Last week we planted pea seeds in window bags and we have enjoyed seeing some roots start to shoot this week! In both our **PE** lessons we have been busy practicing our field and track events ready for sports day. A reminder for PE that earrings should ideally be removed, where this is not possible please tape them.

Pea seeds in window bags; programming beebots

## Key dates:

Wednesday 22<sup>nd</sup> May am – Sports day

| Coming up next week   | Way to support at home (home learning)            |
