Ruby Class Newsletter

It has been a great week in Ruby Class this week! We have finally been able to go on a school trip! The children had a wonderful time at Cattle Country and were excellent role models for our school. We were very proud of them!

In maths, we have been learning to count in steps of 3, 4 and 8. We have used a variety of strategies to help us, such as, songs, tapping, concrete resources, number lines and sequencing. In English, we have been planning a newspaper report. The children are going to become reporters and report on the 'Marvellous Medicine' that has been created by George!

This week in **science**, we have explored muscles. The children made their own muscles out of cardboard and elastic bands to help them to understand how a muscle works. In **geography**, we have been comparing the similarities and differences between Cardiff and Wickwar. In **PSHE**, we explored what our Dream school might be like! In **music**, we continued to learn songs with a lady from the music hub, this week we practised singing in the round. In **French**, we have learnt how to ask someone his or her name and to say our name. In **PE**, we have continued with our country dancing and games. In **art**, we have been thinking about primary and secondary colours.

For your information

PE - will take place on Tuesday mornings and Wednesday afternoons. Please ensure your child is wearing a PE kit in school on these days - thank you.

Spellings - will be set on a Friday to be tested on the following Friday. Please support your child in practising these.

Reading - Please can we encourage you to read with your child (5 times a week) and sign/initial to say you have read with them.

The Friends are a huge part of the school and through their fundraising are able to support us in purchasing items for all of the children to use. If you would like to join the Friends, please get in touch with the committee.
