Ruby Class Newsletter

What a very busy week we have had in Ruby Class this week!

In maths, we have been learning to read and write numbers in numerals and words up to 1000! The children have then used their skills to compare two numbers to see which is greater and which is less. They have also practised how to order them from largest to smallest and vice versa.

It's been a week of grammar in English this week. We have recapped apostrophes for possession and learnt about the present perfect tense. We have then written a recount on one of the chapters from *George's Marvellous Medicine* to apply our new skills.

In science, we have explored different types of skeletons, the endoskeleton, exoskeleton and hydrostatic skeleton. **In geography**, the children have recapped on their knowledge of human and physical features locating them on maps and aerial photos. **In PSHE**, we explored what a nightmare school might be like! **In music**, we had great fun with a lady from the music hub who came to teach the children sing! **In French**, the children have started to learn how to express how they feel. **In PE**, we have started our country dancing and games. **In computing**, we have been learning how to use and format tools and effects on 'Word'.

For your information

17th September 2021

PE - will take place on Tuesday mornings and Wednesday afternoons. Please ensure your child is wearing a PE kit in school on these days - thank you.

Spellings - will be set on a Friday to be tested on the following Friday. The first set of spellings will be sent out next week on Friday.

Reading - Please can we encourage you to read with your child (5 times a week) and sign/initial to say you have read with them. Books will be allocated and sent out next week.

Thursday 23rd September - Our school trip to Cattle Country.

The Friends are a huge part of the school and through their fundraising are able to support us in purchasing items for all of the children to use. If you would like to join the Friends, please get in touch with the committee. They are also looking for some volunteers to help at the upcoming Wickwar Games.
