

Ruby News

This week the children had great fun dancing whilst rolling the dough in our disco to music to help strengthen our hands. The children have been exploring counting and number this week up to 20. It is great to order the numbers and count objects one to one.

During the week we have learnt sounds using games and actions to help us remember the sounds. In the school home books there is a sheet stuck in with pictures to help the children to practise with you at home e.g. Pooh bear rubbing his tummy saying mmmmmm. Remember to be careful not to say 'muh' and 'tuh'.

We have been having fun stomping and using our claws to strengthen our muscles for writing using the dinosaur stomp! Here is the link

The children have been amazing this week being full time!
