

# Opal Class News

15<sup>th</sup> March 2024

*How has our week been?*

*We are edging ever so close to camp week. This is incredibly exciting and the children are definitely starting to feel the excitement as well as the nerves. This is perfectly natural and we have been more than happy to discuss these emotions individually or as a class. In English, we have been recapping grammar, looking at relative clauses and concise expanded noun-phrases. In Maths, we have been recapping multiplication and division, including multiplying and dividing squared and cubed numbers. In our project, we have continued with RE, learning about Islam.*

Drama:

Key dates coming up:

18<sup>th</sup> March – Class taken by Miss Ali (Miss Clark is on an English Course)

19<sup>th</sup> March – Miss Clark is working.

20<sup>th</sup> – 22<sup>nd</sup> – Kolve Court Camp.

26<sup>th</sup> & 27<sup>th</sup> March – parents evenings. We are hoping to hold our museum tour at the same time so the children can show you around the museum as well as looking at books during parents evening.

Coming up next week  
Learning focused

We will continue to problem-solve with the 4 operations.

In English, we shall be planning our stories and target setting.

In RE, we shall be learning about the other pillars of Islam.

Way to support at home (home learning)

Children can revisit these methods on Mathletics. Practising their times tables on TTRS would also be very useful.

Recap the story of the Hero Twins

<https://www.youtube.com/watch?v=jojLJNn87fU>

Ask the children what they have learnt about Islam so far. Discuss the pillars.
