

Ruby Class News

In **Maths** we have continued our learning about fractions. The children quickly took to finding quarters of shapes but have found quarters of numbers tricky and we will continue to practice this in our morning challenge. In **English** we have written lost posters for Bunting using our ideas from last week and the conjunction 'and' to link clauses. In **RE** we looked at symbols of Easter and enjoyed playing Kim's game to spot which was missing. After we discussed which symbols would be more important to Christians and why they might help them to remember the stories of Holy week. In **DT** we have been developing our sewing skills using large plastic needles in binca fabric to complete running stitch. The children also explored a range of puppets thinking about materials and joining techniques used. We are now learning about templates and will be using a template to create a draft of our puppets.

PE with Mrs McAleese; Football (last Friday) with swift coach

Key dates:

Project outcome: come in and share our learning – Thursday 21st March 2.45 – 3.15pm

Parents evening: Tuesday 26th and Wednesday 27th

Coming up next week	Way to support at home (home learning)
In English we will be writing recounts using simple past tense.	Read 5 times a week
In Maths we will be counting in 2, 5 and 10. Begin to solve multiplication by counting in 2, 5 and 10 using objects and arrays.	Complete Mathletics
	Practice words in spelling book linked to phonics

Have a lovely weekend,

Mrs Grainger
