# Ruby Class Newsletter

Well, what a wonderful week we have had! The week started with our 'Wow' day, where the children enjoyed seeing all the different explorer costumes and accessories everyone had come to school in...they looked amazing! The children then travelled around the world to find clues and facts about different countries. Once they had guessed the name of a country they had their passport stamped. The day finished with the children learning a song about the seven continents. They were truly immersed in the day and our new topic 'Around the World'.

Our English focus has been recount writing. The children have created a word bank and plan, then used these to write a recount of our Wow day.

In maths, we have been working on counting forwards and backwards in 2s, 5s and 10s. This will continue next week.
