

# Ruby Class News

We've had a busy start to term 5 with the launch of our final project, *How can we twist the tale?*

Everyone looked great in costume for our WOW day on Monday and we had lots of fun making bread for Little Red Riding Hood to take to Grandma. We also added to our environment by making a huge paper chain beanstalk!

In **English** we have listened to our key text Little Red by Lyn Roberts and have talked about how it is a twist on the familiar traditional tale. We have written recounts of our wow day activities and short steps to make bread. In **Maths** we have started learning about measures with a focus on the language shorter/taller and comparing objects by height. We have begun non-standard measure using cubes to find the height of different items in our classroom.

WOW day paper chain beanstalk; bread making; lego 3 little pig houses

## Key dates:

Monday 22<sup>nd</sup> April – class photo

Tuesday 23<sup>rd</sup> April – possibly need wellies for field/woods activity, I will confirm next week

Coming up next week	Way to support at home (home learning)
In English we will be writing rules for Little Red walking in the woods.	Read 5 times a week
In Maths we will be measuring length/height using cm rulers.	Complete Mathletics
	Practice words in spelling book linked to phonics

Have a lovely weekend,

Mrs Grainger
