

Ruby Class News

We've made it to the end of another busy term!

In **English** we have been writing rules for a familiar game. The children were brilliant at remembering all the features of rules that we have learnt and tried hard to include lots of these in their own writing. In **Maths** we continued our learning about larger numbers and have been busy counting forwards, backwards and finding one more/one less with larger numbers on a one hundred square. In **Jigsaw** we finished this terms learning about *Healthy Me* by recapping ways we can keep our bodies healthy and safe.

The highlight of our week was of course sharing our learning with you all at Monday's journal share. The children were looking forward to you arriving all day and it was lovely to see so many of you able to make it along.

Art – Peter Thorpe inspired art learning

Coming up next week	Way to support at home (home learning)
<p data-bbox="103 1301 403 1413">We will share out new text, Little Red by Lynn Roberts.</p> 	<p data-bbox="815 1301 1453 1335">Read 5 times a week (Books changed on Fridays)</p> <p data-bbox="815 1379 1453 1447">Blue books will be kept in school over the Easter break</p> <p data-bbox="815 1491 1453 1559">Mathletics task – Making big numbers count and counting on a 100 grid</p>

Key dates:

Tuesday 22nd and Wednesday 23rd April – INSET days

Thursday 24th April – Term 5 begins

Friday 25th April – PE kits to be worn

Have a lovely Easter break, Mrs Grainger
