

Ruby Class News

Term 6, week 1:

Welcome back to the final term. I hope you have all had wonderful breaks. The children enjoyed sharing all they have been up to during their week off.

I cannot believe how quickly this year has gone. The good news is that we still have plenty of time together before the summer hits us.

Next week, I am starting the National Phonics Screening Test for some of the children. This will take place over the next 2 weeks. I shan't be telling the children their score, but this information will be sent out with their school reports later this year. I know I have sent some home-learning to you all with websites/videos that may help your child and yourself. I have copied them across to this letter in the hopes that you can click on the link or copy it across.

Jigsaw:

In Jigsaw this term, Mr Feaster shall be teaching about changes. This includes a range of changes that happens in a child's life (including physical) and it progresses as the children move through the school. It is school policy to share the content of the curriculum with parents to allow you an opportunity to review what is being taught and discuss with school if you have any concerns prior to us teaching it. Mr Feaster shall be starting this topic in 2 weeks time. Please look through the attached document with the topic's overview. If you have any questions or concerns please contact us and let us know within the next two weeks.

The last 2 weeks of learning:

In **English**, we have been writing our stories of Little Red and the very hungry lion. The children are doing an amazing job on this and it is so wonderful to see how much they have developed as writers. In **Maths**, we have been learning how to use arrays for division as well as problem-solving multiplication and division. It was tricky as the problems were word problems but we got through it together as a class. In **History**, we have written up our little fact file about Queen Elizabeth and Queen Victoria. In **PE**, the children have been practising throwing and catching small balls (tennis balls). In **DT**, we have started to investigate how to make a new chair for Baby Bear.

Phonics Introduced this term: some of 5c

Phase 5c Lesson 25 - Revision/focus lesson

Phase 5c Lesson 26 - /or/ (four)

Phase 5c Lesson 27 - /or/ (caught)

Phase 5c Lesson 28 - /ur/ (learn)

Phase 5c Lesson 29 - /ur/ (word)

Coming up next week	Way to support at home (home learning)
<p>In English we will be continuing to write and edit the story of Little Red and the very hungry lion</p> <p>In Maths, we will be looking at position and direction which will also help us with our programming. Please also continue to work on their mental methods by playing games on level 1 of daily 10. There is also Mathletics for the children too.</p> <p>Please keep reading 5 times a day. It is so important to continue to learn and apply our phonics.</p>	<p>https://www.youtube.com/watch?v=ye5vQQQYNHk</p> <p>https://www.bbc.co.uk/bitesize/articles/zmdr92p</p> <p>https://www.topmarks.co.uk/maths-games/daily10</p> <p>https://www.youtube.com/watch?v=YffgTW6ggrI</p>
