# Ruby Class Newsletter

Already half way through Term 4!

This week in maths, we have been applying our multiplication knowledge when learning division sums. We have also used our new knowledge of division to answer even bigger division problems! The children have amazed me with their understanding.

This week is Science Week, on Monday we were lucky enough to watch a live video all about life cycles. During this live stream we saw lambs and calves being born! In the afternoon, we planted some flowers (red, white and blue), for the Queens Jubilee. We can't wait to see them grow in the summer!

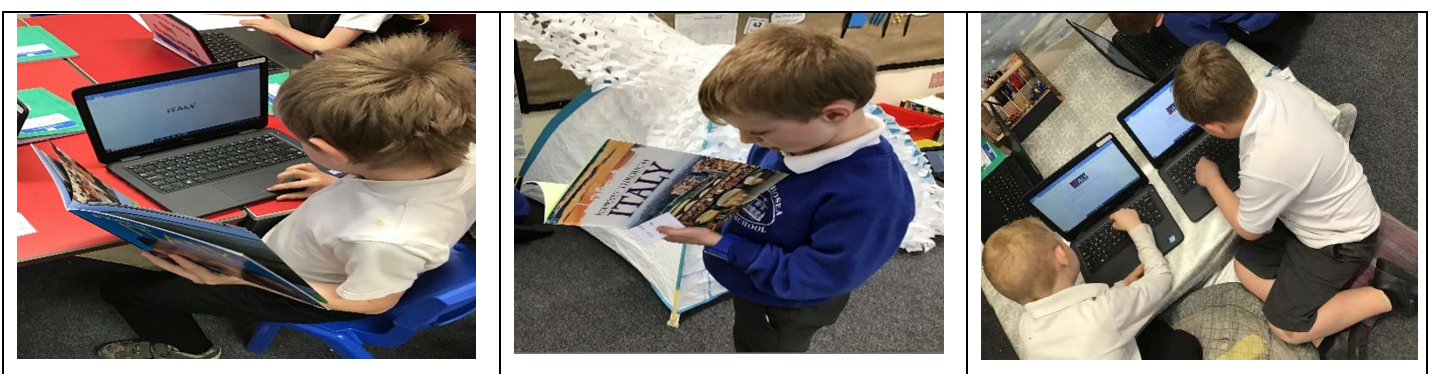

In English this week, we have been creating our own chapter for *The Boy Who Grew Dragons*, we were acting as though we were Tomas and we had taken a dragon to school! The children have come up with lots of creative ideas!

In PE, we are continuing our work on symmetrical shapes while doing gymnastics - this time we also included different types of rolls.

In DT, the children were practicing hygiene and using different kitchen skills, such as cutting, weighing and measuring. This is something that will help them in their final project...

During geography, the children were able to use books and laptops to create a fact file about Italy - they were all so creative and it was a chance for me to see the computing skills they have learned already!

18<sup>th</sup> March 2022

**For your information**

**PE** - will take place on Tuesday mornings and Thursday afternoons. Please ensure your child is wearing a PE kit in school on these days - thank you.

**Spellings** - will be set on a Friday to be tested on the following Friday. Please support your child in practising these.

**Reading** - Please can we encourage you to read with your child (5 times a week) and sign/initial to say you have read with them.

**Mathletics** - Will be set online ready for your child to complete the following week.

**TTRS** - Please support your child with their times tables by logging on and letting the children complete different challenges.

**End of Term Project** - We are inviting all Year 3 parents / carers to our End of Term Project on Wednesday 6<sup>th</sup> April at 2:45pm in the hall. During this time you will be able to see your children's learning as well as all the projects we have done the last two terms!
