

6th March 2020

Ruby Class Newsletter

World book day has been a huge success. Thank you for your support - the children looked great!

In maths, we have continued to work on fractions. We have been working on recognising, finding and writing halves, quarters and thirds. The children have shaded fractions of shapes, sorted objects into groups and calculated the fraction of an amount.

We have also looked at statistics. The children have learnt how to collect and interpret data using tally charts and pictograms.

In English, we have started to look at the story of Traction Man. We have explored the settings, characters and story plot. We have also learnt about apostrophes in contractions.

In art, we are exploring 'Pop Art' and Andy Warhol. We have looked at some of the techniques used and practised them on a repeating picture of Florence Nightingale.

For your information

PE will continue to take place on Wednesday afternoons and Friday mornings. Please can you ensure your child has a PE kit in school on these days - thank you.

Please can we encourage you to read with your child (5 times a week) and sign/initial to say you have read with them.

Homework is due in on Thursday. **Spelling tests will now take place on a Thursday.**

6th March 2020

Spellings - after our end of term spelling test in February you may find your child has been given previously learnt spellings to practise again.
