

Welcome to Alexander Hosea. We are excited to hear that you will be joining us in September. Would you like to have a little look at some of the things we do?

We wear our school uniform. It helps us to feel part of the Alexander Hosea family and we also look very smart.

We have another uniform for PE. We wear different coloured shirts.

These children are in your new classroom.
We do lots of interesting things there.

We have an outside learning space too.

We also have a garden and go to the woods.

We have things to climb and play on in the playground.
