This summary progression shows the progression of GPCs and common exception words (CEW) that are taught in each term in Unlocking Letters and Sounds. The progression largely follows the progression contained in Letters and Sounds 2007, with some modifications, including refinements and clarifications of learning elements omitted from Letters and Sounds, and updated guidance, including requirements from the National Curriculum.
The progression is structured broadly to follow Phases 1 to 5 of Letters and Sounds, but some phases are subdivided into smaller sections, offering structured opportunities for revision ('Mastery') and for spelling development.
The detailed progression for Unlocking Letters and Sounds shows the GPCs and CEW that are taught on a week-by-week basis. A separate chart is also available showing how the Ransom Reading Stars programme of reading books matches the Unlocking Letters and Sounds progression. At least two new fully-decodable reading books are available to read every week, for all Phases.
