

# Topaz News

Dear All,

We have continued producing our artworks this week. They look amazing and I can't wait for you to see them! There has also been lots of number learning around in the environment to consolidate doubles, odd and even numbers and addition

In our forest session last week we loved the story of Percy the Park Keeper's summer rescue. We then took the knitted characters and made them homes for Percy. We had a great time and even had ice pops to keep us cool.

## Maths

In maths the Number blocks have been taking us back through some things we have looked at before to see if we can recall even faster now. We have looked at doubles using the sentence ..... is double ... and .... Double ... is .... For example 6 is double 3 and 3. Double 3 is 6. Try this at home.

We have also looked at sharing with this clip:

<https://www.bbc.co.uk/iplayer/episode/m0006xcw/numberblocks-series-4-the-lair-of-shares>

You can try out some sharing at home too.

## Topaz play

I have now put words for the songs on Evidence Me. Please enjoy practising at home.

Kind regards, *Sally Windmill*
